Description :

Presentation de l'auteur This eBook is the 1st Trading System of the series. This education eBook was written specifically for experienced and advanced veteran Forex traders. Before reading this eBook, you should already have a Live Forex trading account, basic knowledge of technical analysis, and basic risk management techniques. I have written this eBook in a fast paced, brief format so that there should be no confusion on how to use and implement this manual trading system. The indicator parameters and settings are calculated precisely and should be followed rigidly. Think of this eBook as an instructional manual guiding you on your successful trading career. This manual trading system can be added onto your existing arsenal of trading systems you are already using.
