## Description :

Prsentation de l'diteurMy name is Reyna Miracle. Even though a part of my name is Miracle, theres nothing miraculous about me. My body portrays the tales of my life. Every feeling, every heartbreak, every emotion. Marked. Inked. Stained. A walking canvas of my messed up truth. But theres one confession I cant put in a tattoo. A confession that will kill me to tell, but my best friend died before I had the chance. Now Im left with him. The only one who can hold me in the night and squeeze that spot on my neck that feels like my lifeline between sanity and chaos. But we dont work together. Were absolute poison for each other. Were a stifling, suffocating, sickness of darkness. But I feel safe...because Ive made an art of pushing people away.

Now hes pushing backAnd making me believe...Making me wonder... Maybe, just maybe...I could be the one.A London Lovers Series Spin OffReads Great As a StandalonePrsentation de l'diteurMy name is Reyna Miracle.
