When Abby and Noah meet, there is an explosive attraction between them that neither can deny...As a shy, awkward, social misfit, Abby has gone her whole life feeling as though she's different from everyone else and she simply doesn't fit in well with society as a whole. She longs to feel a real connection with someone, and she finally does when she meets Noah. Unbeknownst to Abby, Noah is from another world and his sole purpose is to hunt down the evil of his people that was unleashed on Earth hundreds of years ago. He's certain he isn't going to be able to return to his home, and anger and the need for revenge are his constant companions. His focus has been eradicating the evil and making them pay for taking his life on his world away from him. Noah tries desperately to fight his attraction to Abby so he can keep his focus on his mission. But when Abby gets dragged into the evil and mayhem from Noah's world, he realizes that maybe with Abby he can find a home here on Earth...if he can save her in time.

Interview with the Author Q - So, what makes the Six Saviors series special? A - It's a mix of things, really. When I set out to write these books, I wanted to create something that mirrored exactly the kind of books I like to read, yet I wanted to create something a little different. I love reading paranormal romance bestsellers, as well as fantasy and sci-fi romance best sellers. The Six Savior books are a great mix of these genres. You'll find the series focuses on the fantasy / sci-fi romance genre with a little paranormal activity thrown in. There is also some action and adventure as well to keep the stories interesting. Overall, the Six Saviors series is designed to keep you turning the pages - and I've made sure there's never a dull moment until everyone gets their happily ever after. Q - What order should I read the books in? A - I've written the series so you can read the books in any order, and all the story threads will tie up nicely by the time you're finished. If you do want to read them in order, I'd suggest the following sequence: The Light Within Me (free sci-fi/fantasy romance) Finding My Faith REBORN Beverlys Rebirth Destinys Shift Tangled Fates The Dream Walker Atonement Justice Titus Roman

Q - So, why should readers give these books a try? A - Because each book in the Six Saviors series focuses on one of the warriors, and all are alpha males who meet their match when they finally meet their mates. There is humor, action and adventure, and of course, romance. All books have hit the top ten best sellers in their categories, and all have received rave reviews. Ultimately, readers who enjoy sci-fi/fantasy romance with action and adventure will enjoy the Six Saviors.
