Description :

Prsentation de l'diteurAbove the planet Harmony, the computer Oversoul watches. But its systems are failing and the only hope of repair lies a thousand light-years away on the planet Earth, which was left forty million years ago ...Nafai and his family have been chosen to make the great journey home, but most of them do so grudgingly. Their anger and hatred will make the trek across the desert wastes to the long-abandoned

spaceport both harder and more deadly. More information on this book and others can be found on the Orbit website at www.orbitbooks.co.uk
