Three women have been strangled in their homes by the same sadistic killer.

With no sign of a break-in, every indication shows that they let him in.But the evidence is pointing at a shocking suspect: DI Josh Derwent, Maeves colleague.Maeve refuses to believe he could be involved, but how well does she really know him? Because this isnt the first time Derwents been accused of murderRevue de presse"Jane Casey's police procedurals go from strength to strength" (Sunday Times)"Jane Casey draws

her characters well and hard-working Maeve is an appealing heroine." (Choice)"So why has this series gained such a loyal following? Kerrigan's plucky, has good instincts and has a naturally sharp and witty tongue. Jane Casey expertly weaves her plot through the actions of various characters keeping even a seasoned crime fiction reader guessing to the end. Gripping and hugely entertaining, *The Stranger You Know* is peopled with richly drawn characters and the gritty realism of contemporary London. You don't need to have read the previous novels in the series, but *The Stranger You Know* is highly likely to leave you reaching for them. Kerrigan is to today what Jane Tennison surely was at the start of her career. An attractive and engaging character, she could well prove to be as enduring." (Catholic Herald)"THE STRANGER YOU

KNOW is a beautifully mature outing from Jane Casey, which builds nicely on the characters and relationships of the investigating team from earlier books, exploring their complexities, and introducing a few new ones. All this, on top of a well-plotted crime investigation makes for a highly absorbing read that I thoroughly recommend."
